-------------------	-------------------	-----------------------------------

* **Calendar may change throughout the year**

Important Notes for 4K and Preschool

Racine Cooperative does not observe early release days for training and will hold classes at the normally scheduled times. Racine Cooperative may close school for teacher training for one to two days during the school year, but parents/guardians will be notified well in advance of these days as they come up.

When Racine Unified is closed due to bad weather conditions, Racine Cooperative will also be closed. If Racine Unified is starting 2 hours late due to poor weather conditions, there will be no morning 4K or preschool classes on that day, however 4K afternoon classes will still take place at the regular scheduled times. If Racine Unified is closing early due to poor weather conditions, there will be no afternoon 4K or aftercare on that day.
